PROFESSIONAL SUMMARY

Computer Science student (UWI, graduating 2026) specializing in cybersecurity, database systems, and full-stack web development. Proficient in Python, Java, C++, TypeScript, React, and SQL with hands-on experience designing, querying, and managing databases as well as deploying secure, responsive web applications. Cisco-certified in cybersecurity fundamentals. Passionate about building privacy-first systems, working with secure data-driven architectures, and contributing to security-conscious engineering teams.

TECHNICAL SKILLS

Languages: Python, Java, C++, JavaScript, TypeScript, HTML, CSS, SQL

Frameworks & Libraries: React, Tailwind CSS, Node.js, Firebase

Tools & Platforms: Git, GitHub, Vercel, Canva

Cybersecurity: Network Security, System Security, Privacy & Data Protection, Vulnerability Assessment

Core CS: Data Structures & Algorithms, Database Design, Testing & Debugging, Software Engineering II

EXPERIENCE

Tech Universe Ltd | Sales Associate — Part-Time Jan 2020 – 2026

- Designed and deployed digital ad campaigns using Canva, contributing to a ~20% increase in customer response to promotions.
- Developed in-depth technical knowledge across 100+ inventory items to deliver accurate product guidance and improve customer satisfaction.
- Collaborated with sales and marketing teams to produce clear, high-impact promotional materials supporting business growth.

PROJECTS

StylGif

HTML · CSS · JavaScript · GitHub Pages · Vercel

- Browser-based pixel art GIF creator featuring frame-by-frame animation, color palette tools, and client-side GIF export built and version-controlled on GitHub.

Art Portfolio

HTML · CSS · GitHub Pages · Vercel

- Fully responsive personal portfolio showcasing digital artwork and graphic design, demonstrating UI layout, typography, and visual design skills.

I Used to Live Here Once

TypeScript · HTML · CSS · GitHub Pages · Vercel

- Narrative literary website with TypeScript front-end logic and immersive UI/UX; continuously deployed via Vercel CI/CD pipeline.

CERTIFICATIONS

Cisco Introduction to Cybersecurity — Cisco Networking Academy

EDUCATION

BSc Computer Science — University of the West Indies Expected 2026

Relevant: Data Structures, Database Administration, Computer Networks, Operating Systems, Software Engineering II

St. Augustine Girls' High School | CAPE (10 units) · CSEC (8 subjects) 2015 – 2022

CAPE: Computer Science, IT, Economics · CSEC: Mathematics, English, Physics, IT

VOLUNTEERING & ACHIEVEMENTS

Secretary, UWI Computing Society · ICPC Caribbean Finalist · SheSecures Cybersecurity Participant · UWI Math Fair Volunteer · DCIT Runtime Participant · Treasurer, Sixth Form Association (SFAS)
